

YOUR *Giving* IN ACTION

CHILDREN'S HOSPITAL FUND

Includes inpatient and emergency care for the children of our community. Recently, donations have made it possible for your Williamson Medical Center Foundation to purchase sensory items to be used by the Child Life Specialist. Also, rocking chairs have been purchased for the inpatient floor!

BREAST HEALTH CENTER FUND

Donations assist in providing personal, coordinated, one-stop care for patients fighting breast cancer.

Every year, your giving to the Foundation for this fund makes it possible to provide wigs to patients undergoing treatment, an educational handbook for the patient and the family, and a chemo kit, full of comforting items for the patient. Through donations, your Foundation also makes it possible for the nurses and additional staff in the Breast Health Center to remain current in all areas of certification.

OB/NICU FUND

More than 1,800 babies were born in the last year at Williamson Medical Center! Many of these babies have experienced benefits from your giving. Donations have made it possible for your Foundation to provide new fetal monitors and warmers for the NICU beds.

CARDIAC FUND

These donations support a comprehensive heart program from intervention to Cardiac Rehab. Your Foundation donations have made it possible to purchase necessary items, such as treadmills, to assist in equipping Cardiac Rehab.

SCHOLARSHIP FUND

Each year scholarships are awarded to Williamson County students pursuing degrees in the medical field. The Fay Porter Scholarship supports high school and undergraduate school students, while the Ike Brown Scholarship provides assistance to a graduate student in medical school. The Kim McMurray Scholarship is awarded to a nursing student whose life has been impacted by a family member who has battled breast cancer. In 2016, your Williamson Medical Center Foundation awarded more than \$22,000 in scholarships to Williamson County students.

PALLIATIVE CARE FUND

In the last two years, Williamson Medical Center has begun to provide this new program **to help patients and families prepare for end of life with compassionate comprehensive services.** Your giving will allow for purchases of necessary materials, such as books and pamphlets to assist families in this difficult time.

JOEY'S POUCH FUND

Your donations to Joey's Pouch will provide **necessary items for unprepared, new mothers to care for their newborn.** Case Management works with mothers to identify needs, and your donations will purchase items, such as diapers, formula, basic clothing and a bed/pack and play.

GENERAL FUND

Your donations with no designation provide the means for your Foundation to support areas of greatest need within Williamson Medical Center, whether it be through funding of certification programs for staff or other determined needs.

**Each of these funds benefit from 100% of your giving!
Your donation can be designated for any fund of your choice.
All unspecified donations will go to the general fund.**

**For more information, please contact Leigh Williams, Development Coordinator

Your Williamson Medical Center Foundation

collects donations and distributes them to a number of individual funds ranging from children's needs to various areas throughout the main hospital. The Foundation has been in existence for 14 years and has raised nearly \$7 million over that time. Donations range from large amounts from major donors to smaller amounts that are every bit as helpful as the big ones. No amount is too small. donations are welcome and effective.

OUR **MISSION**

The mission of the Williamson Medical Center Foundation, Inc., is to serve as the charitable and development arm that supports Williamson Medical Center and the Monroe Carell Jr. Children's Hospital Vanderbilt at Williamson Medical Center in providing best-in-class health care services to the families of our community.

OUR **VISION**

To enable Williamson Medical Center and the Monroe Carell Jr. Children's Hospital Vanderbilt at Williamson Medical Center to continue to provide world-class healthcare services to our community.

OUR **PURPOSE**

To fund capital projects and health outreach programs of Williamson Medical Center, the Foundation seeks charitable gifts of all types to provide ways to continuously improve the quality of patient care at Williamson Medical Center.

OUR **COMMITMENT**

The Foundation is committed to help you identify meaningful ways to invest and support Williamson Medical Center.
