

Outpatient Imaging

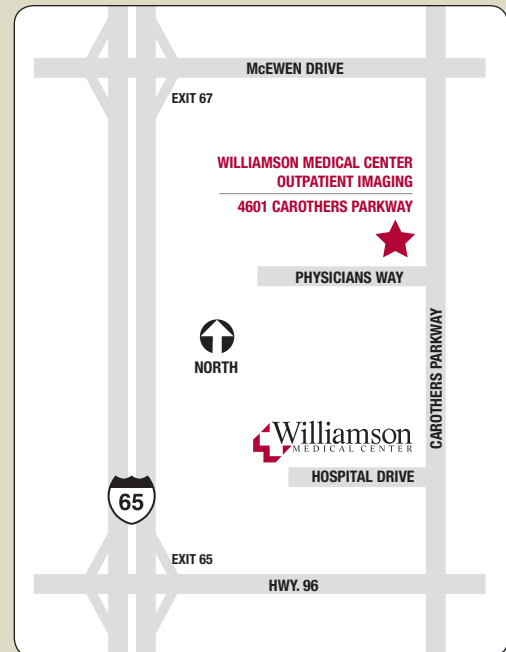

Williamson Medical Center Outpatient Imaging, only one block from the hospital, offers the latest technology in a convenient, comfortable setting. Credentialed and licensed staff deliver care and compassion to each patient every day.

Preparing for your appointment

- » Physician orders may require restraint from liquid or food for a specific amount of time before your procedure.
- » Arrive at the Medical Center in comfortable clothing. Items containing metal should not be worn.
- » Some procedures require removal of jewelry, hairpins, eyeglasses or dentures. Personal items will be stored safely.
- » Tell your technologist if there is any chance you may be pregnant.
- » Patients must remain still for CT, MRI and PET scans, which typically last 30 minutes to an hour.
- » Some scans require an injection of contrast solution similar to an IV injection.

Insurance and Payment Arrangements

Please bring your health insurance card(s) to the Medical Center when you arrive for testing. Confirm insurance requirements, including pre-certification or referrals, with your physician office to avoid delay the day of your appointment. If payment arrangements are needed, call Patient Financial Services 8 a.m. – 4:30 p.m. Monday through Friday at 615.435.5889.
