September is National Breakfast Month ~ Make eating breakfast a priority! Skipping breakfast can lead to weight gain, may cause you to overeat later in the day, and interferes with your ability to concentrate at school or work. Try the following for a healthy start to your day: small whole wheat bagel w/ peanut butter, a banana, and a glass of skim milk; oatmeal w/ skim milk topped w/ fresh fruit and nuts; parfait made w/ low-fat yogurt, fruit, and granola; sandwich made w/ a whole grain English muffin, turkey bacon, and low-fat cheese.</p> |
